

Your Style Makes a Statement

But is it saying what you want it to say?

Speaker, Professional Stylist, and Image Consultant Kelley Kirchberg will show you how to use style, cuts, and color to enhance your appearance, establish a professional look, and achieve the success you want in your professional and personal life. Her topics include:

Workplace Fashion

Dress for Success Owning Your Personal Style

Think you don't have a corporate dress code? Think again. Learn the secrets of the unspoken dress code to advance your career.

- Find out how to dress successfully in a competitive market.
- Notice what your boss is wearing and why it's important to notice.
- Discover how to make an impression dressed in your distinct style while still fitting in.

Public Speaking

Rock the Stage Every Time with the Three C's

As a speaker, the image you present tells your audience whether you have the three C's: Confidence, Credibility, and Charisma! Ensure the image you are showing the world is the one you want them to see.

- **Confidence:** Learn what to wear to keep your audience's eyes on you.
- **Credibility:** Know the top 10 tips speakers need to know while on stage, including how to look your best on camera.
- **Charisma:** Understand how your image portrays to your audience in terms of body language.

Elevate Your Corporate Style

Climb the Corporate Ladder by Changing the Way You Dress

Modern work attire for women and men truly gives a fast-paced, knowledgeable, on trend look which can accelerate your career. Know what to wear per your industry to give a fashion-forward edge.

- Do's and Don'ts of corporate suiting.
- Modern work attire to excel in your career.
- Accessorizing in the modern workplace...*head to toe style*.
- Learn how color can increase your personal power.
