Modern, Trendy Pizzazz

- Give a springtime buzz to your jewelry with bracelets, necklaces and rings adorned with bumblebees and dragonfly's.
- Polish your look with a bold headband. Embellished barrettes and headbands in spring's hues and bold art prints make a style statement.
- Bucket bags add on-trend twist to any look. Choose one in woven or straw fabrics for spring/summer edge.

Chic Work to Weekend Style

- Sizzling for spring in snakeskin. From handbags to shoes, snakeskin is a must-wear in light metallics and neutrals to bolder colors.
- Spring into style carrying an acrylic bag. This see-through option carries you from the office to nights on the town or beach vacations. Choose a bold spring color or go modern in a black/white style.

Sophisticated Spring Accents

- Bucket hats are a stylish way to shield your face and accentuate an outfit for spring.
- Add artistic flair with a print scarf. The bolder the print and color combination the better.
- Be eye-catching from head-to-toe in statement or sculptural heels. The detailed heel adds a WOW factor.
