Each day when we wake up, one of the first things we do is head to the closet and decide what outfit to put on. While this is a quick and easy process for some, for others it can be daunting, as they aren't fully satisfied with the options they see.

If the above sentence resonates with you, it might be time to reconsider your personal style as we enter into a new year. Here, [Naina Singla](#) and [Kelley Kirchberg](#)—two experienced stylists in Northern Virginia—share exactly how to hit the style refresh button.
