

# 5 OUTFIT FORMULAS TO LOOK QUARANTINE CHIC

## 1. JOGGERS + SILK BLOUSE

Silk joggers give a dressy vibe. Pair cotton joggers with a half-tucked print blouse.

## 2. CARDIGAN/KIMONO + TEE + JEANS

Add a belt, tucking your tee in the front or all the way around. This dresses up the outfit. Colored denim gives a more polished look.

## 3. SKIRT (midi or above the knee) + TANK TOP + JEAN JACKET

Slip into a skirt to give you a boost. Keep it casual chic with a tank top or short sleeve tee. Layer with a jean jacket.

## 4. TEE + ANKLE LENGTH PANTS + SLIDES

Simple dressy tee paired with ankle length pants in a neutral or bold color. Slip on a pair of slides (prints make this outfit pop).

## 5. PRINT BLOUSE + LEATHER LEGGINGS

Slip on a pair of flats or slides. Add hoop earrings and you are looking casual chic.
