I'm writing to apply for the position of personal stylist. I am confident that my skills are well-aligned with the role, and that I would be an excellent fit for your business.

Studying fashion and textile technology at State University of New York College at Buffalo and my personal styling experience in the fashion industry has given me deep insight into the fashion industry and a varied skill-set that includes merchandising, project management skills, marketing and retailing skills. I believe these skills would make me a valuable asset.

I believe my experiences and track record make me an excellent fit for this opportunity. Please feel free to contact me via phone or email at a time of your convenience to discuss my background as well as the requirements for the role.

Sincerely,

Daisha Bates
