Divine Style

RE: Styling Intern

Dear Hiring Manager,

Throughout my career, I have contributed to impacting business outcomes through effective organization, prioritization, and execution of key projects. My skills and qualifications are an ideal match to the Styling Intern requirements and will bring immediate value to Divine Style goals.

Previously, in my Bridal Stylist role, I exercised a calculated and methodical approach to problem solving. I am independently motivated, yet I appreciate team efforts and collaborate productively within groups. Additionally, I am knowledgeable in style recommendation and customer consultation with proficiency in product knowledge.

Because my professional goals align with Divine Style's mission and values, this opportunity is especially exciting. I believe my organization, motivation and interpersonal abilities will support and drive your continued organizational success.

In my current role I am a skilled and hardworking Bridal Stylist. While I thoroughly enjoy my employment at David's Bridal, the chance to be a styling intern at Divine Style is a perfect opportunity to expand my styling expertise into other areas of fashion. Despite the geographical distance, I am very willing to relocate to Washington D.C. for this upcoming summer, and would gladly welcome a full-time position after graduation if the opportunity presented itself.

To demonstrate the scope of my career history and professional competencies, please take a moment to review my attached resume. I appreciate your evaluation of my credentials and subsequent response.

Sincerely,

Angela Whitis
